SOME OF THE BEST PLACES TO EAT DON'T EVEN SERVE FOOD

From Mr Sample
If you're visiting New York City, and the weather's fine, why eat indoors? There are some wonderful places to picnic – not to the point of overlooking Times in Prospect Park, for example. Or you could eat your bagel on a park bench with a stunning view. Why have a holiday like everyone else, when you can have your own experience?

NEW YORK FROM £314 RETURN [> Book](#)
