

Give your TV superpowers

Get our amazing Virgin Media: TiVo® Service.

Our TiVo service is a personal video recorder that gives you extraordinary powers. Like being able to track down an actor in a particular programme, or any of the other amazing things described opposite. See how it stacks up against Sky+ below.

The best way to take TiVo is with one of our Collections – flick back to pages 4-5 and have a look at these excellent value packages. Then ask a member of our team to show you the wonderful things TiVo can do for you.

Tons of storage space

Like loads of TV? Store it all

Our 500GB TiVo box allows you to store 250 hours, while our 1TB allows you to store 500 hours of your favourite standard definition TV.

Grey's Anatomy (Season 8)

Record 3 shows

While watching a 4th

Only our TiVo service lets you record 3 shows while you watch something you've recorded earlier, so no one needs to miss out on the TV they love.

Wildest Artie

Undelete

Wiped something by mistake? We'll rescue it

With your TiVo service, you can simply retrieve things from your deleted items. Then you're back in the good books again.

Red button functionality will be coming to our TiVo service in the future – you can check our progress in the Customer News Area in Help, on your TiVo box.

*New customers are entitled to one £149 box when taking with HD Pack, any additional boxes thereafter or when taking without the HD Pack are £249. Existing customers: £49 for Sky TV customers taking their first HD Pack (£10.25pm) or existing Sky+ HD customers adding Sky Multiroom (£10.25pm per box). **Standard set-up of Sky+HD box with the HD Pack is free when you join Sky TV online (otherwise £30); free for existing customers with a new Sky Multiroom subscription (otherwise £60 or £15 for Sky+ customers selecting self set-up). Non-standard set-up may cost extra. Minimum HD Pack subscription is 12 months. ***One year warranty is included. †Sky Anytime (not Sky Anytime+) pushes some Video On Demand content to viewers' set-top boxes. This content is part of a dedicated Video On Demand service but is not true Video On Demand because Sky chooses which content to push to the box, not the viewer. †Undelete subject to hard drive capacity.
