FUN FOR COUPLES

A Carnival cruise can be whatever you want it to be: a romantic city escape, a relaxing beach break, an adventure holiday or a mixture of all of those. And it's not just the destinations we visit that are exciting. So are all the brilliant things you and your partner can do onboard.

YOUR DAY, YOUR WAY

Feeling lazy? That's fine. Start the day with breakfast in your stateroom, or on your own balcony overlooking the sea. Or maybe you're buzzing with energy? Then stay fit in our outdoor gym, with stunning ocean views. You could go for a swim, play mini-golf or join a yoga session. Would you prefer to have some quiet time together? Then chill out in our adults-only Serenity area, or relax in our Spa.

WHAT TWO CAN DO

In the evening, if you're feeling romantic, enjoy some of the best sunsets you'll ever see. Then choose how and where to dine – there are so many great choices, you might struggle to decide. Later, you can laugh your head off at our Punchliner Comedy Club, check out some live music or dance till dawn in our nightclub. You can also join a pool and deck party or stop off at our casino and try your luck! We spoil you with choice.

FAMILY FUN

On a Carnival cruise we promise you more fun for your money. You can play together or do your own thing – or a bit of both. There are tons of options to keep everyone happy.

A FLEXIBLE HOLIDAY

Imagine the smiles when Dr. Seuss™ characters join you for breakfast. And the fun of racing each other down our waterslides, or playing a round of mini-golf. If we're in port, go wild – enjoy a day at the beach, snorkelling amongst tropical fish, or an amazing encounter with dolphins. The kids will never be bored.

Maybe they'd like to play or hang out with other kids their own age? No problem. Leave them at one of our kids' clubs and they'll have endless fun. We've got fun for all ages, from Camp Ocean to Club O2, there are clubs to suit all. Meanwhile, you can sneak off and have a spa treatment or chill out in our adults-only Serenity area – it's win-win.

KEEPING THE KIDS HAPPY

Do you have fussy eaters? No worries. They're sure to find something they like on Carnival's kids' menu. There's plenty of fun to be had onboard in the evenings too – from spectacular stage shows to dive-in movies out on deck with the ocean by your side. You'll all feel cosy in our staterooms, with comfy bedding,

private bathroom – even a 24-hour room steward and nightly turndown service. With our creative room layouts, up to five of you can share a room. Or, if you prefer, you can have separate, connecting staterooms. You can also have two bathrooms for a little extra ease and comfort.

FOOD WORTH SAILING FOR

You know what all the fun you have on our cruises does? It makes you hungry. Fortunately, you're surrounded by restaurants serving delicious, world-class cuisine, or so say our satisfied guests. And whether you choose casual or sit-down dining you're guaranteed outstanding service.

VARIETY AND QUALITY

There are a whole host of onboard restaurants and bars to choose from, offering a tantalising variety of cuisines. You could go a whole week without eating the same thing twice – except that you may well want seconds.

From formal dining, with fresh lobster and fine wines, to munching a scrumptious burger in your flip flops at Guy's Burger Joint and delving in to a freshly-made California roll at Bonsai Sushi – we've options to suit every taste and style.

RESTAURANTS TO SUIT ALL TASTES

Whichever Carnival ship you sail on, trying out our wide range of restaurants and cuisines is a delicious journey in itself.* Here's a taste of what you can enjoy:

BLUE IGUANA CANTINA

Head down to our Mexican cantina, where the food is fresh and the atmosphere is fresher. Enjoy authentic classics like our tasty tacos and crispy burritos.

BONSAI SUSHI†

Savour our sushi amidst expertly-pruned bonsai trees while enjoying sit-down service and a menu that includes soups, sides, sakes and desserts.

JI JI ASIAN KITCHEN†

Tuck into incredible pan-Asian dishes served straight from the wok. Watch as our chefs cook sharing dishes to order while you dine.

OUR MAIN RESTAURANT

Sit down with us for a three-course meal in our fabulous main restaurant. Let us serve you from a rotating menu of delectable favourites, including steak, lobster and prime rib.

PIZZA DEL CAPITANO

Eat all the delicious fresh pizza you want, whenever you want – it's all included. Whether you fancy a Quattro Formaggi at 4pm or a Pepperoni at 3am, we'll make it for you.

STEAKHOUSE†

Enjoy mouth-watering premium cuts of beef cooked to your exact specifications in the best steakhouse at sea. There's also a fantastic selection of seafood, entrées, gourmet appetisers and an extensive wine list.

GREEN EGGS AND HAM†

Sit down to breakfast with the Cat In The Hat and Thing One & Thing Two. Bright colours and patterns from the world of Dr. Seuss decorate your table – which also feature fun and unique menus.

CARNIVAL FOR KIDS

For toddlers, teens, and everyone in between, there are loads of fun things to do onboard a Carnival cruise. Do them together as a family, or let your kids make friends with others their own age. We'll take good care of them and make sure they have a good time.

FUN FOR ALL AGES

There's fun for everyone at our kid's clubs. Camp Carnival is for ages 2-11, with all the best bits of summer camp rolled into one. Camp Ocean also caters for ages 2-11, offering ocean themed fun – from marine life trivia to sea-themed art activities.* Our Circle C club is for 12-14 year olds and is jam packed with awesome activities like dance parties, games and outdoor movies.

FUN FOR TEENS

For young teens, there are dance parties, games, outdoor movies and more. At our Club O2, older ones aged 15-17 can get together to watch movies, listen to the latest music, play sports and video games, join a polo party, or even dance the night away in our teen only disco. And when we're in port, we also arrange exciting shore excursions for teens. Which means you can get some quiet time too.

GAMES GALORE

Whatever your children's ages, they'll love our Hasbro, The Game Show, where popular board games come to life. These include SORRY! SLIDERS™ to YAHTZEE BOWLING™, CONNECT 4 BASKETBALL™, OPERATION SAM DUNK™ and SIMON FLASH™. And in our Video Arcade, kids can play the latest and greatest high-tech video and arcade games.

EVEN AT NIGHT

Want a night out without your children? For a nominal fee, kids aged between 2-11 can join our Night Owls club! There, they'll have fun with others their age until as late as 3am, enjoying music, activities, games and giveaways at supervised parties while you enjoy... whatever you want, without a worry.

THE GREAT OUTDOORS ONBOARD

When it comes to onboard fun, one thing's for sure – you won't be short of options. Not only have we got great activities and events, but stunning ocean views too. So whether you want to party or kick back and relax, you'll find something to suit you.

YOU'RE INVITED TO A DECK PARTY

We'll use any excuse to have a deck party: celebrating sail-away, marking midnight or, well, just because it's holiday time. Join us on deck for live music and lively DJs and our liveliest guests, surrounded by some of the world's most amazing back drops.

FEELING ENERGETIC?*

Check out our SportSquare for a game of basketball or a swim in the pool. Keep fit in our outdoor gym. Climb around on our fun ropes course, or jog around our extraordinary track, high above the sea. Or play a round on our mini-golf course. Feeling hot? Cool down in our onboard water park – it's featured on the next spread.

DIVE-IN MOVIES*

At the end of the day, you can watch a big-name movie like you've never watched one before – in a poolside lounge chair or even the pool itself, under the Milky Way.

SERENITY™

A calm adult only escape. This open deck retreat offers complete peace and quiet with swaying hammocks, a cool sea breeze and a nearby bar.

MAIN POOLS AND ACTIVITIES

With more than just one pool to choose from, whether you want to splash about, dip in, go for a swim, hit the water slides or simply lie by the pool – you'll find an area to suit you. QUESTIONS OUR GUESTS ASK

WHAT SHOULD I WEAR ONBOARD?

Will I need to bring any formal wear? What do I wear during the day and on shore?

We're all about fun! So naturally, our dress code is almost always casual. We recommend wearing rubber-soled, low heeled or flat shoes for extra grip while onboard. Please don't bring any footwear with wheels onboard.

In the evening you may want to dress up a bit when dining. A light sports jacket or cardigan will do just nicely. For more details of what you can and can't wear in the dining rooms please turn to page 60.

HOW DOES DINING WORK ONBOARD?

There are three different dinner seating options you can choose from. In addition to Early and Late assigned seating, you can choose 'Your Time', which lets you decide. And naturally, all our restaurants are smoke-free. For more information turn to page 61.

WHAT'S 'SPECIALITY DINING'?

Aside from our all-inclusive restaurants, we also offer Speciality Dining on selected ships for those extra special moments. Speciality Dining refers to our famous destination restaurants including our Steakhouse, Cucina del Capitano, Bonsai Sushi and JiJi Asian Kitchen all of which are available at a small extra cost. Check online for prices.

DOES CARNIVAL OFFER DRINKS PACKAGES (FOR AN ALL-INCLUSIVE CRUISE?)

Yes we do – our CHEERS! Beverage Program is available on selected ships. Here's how it works: Order CHEERS! and you can enjoy a wide range of wine, beer and spirits, along with fizzy drinks and non-alcoholic frozen cocktails for just \$49.95 per person, per day, plus a 15% service charge – it's amazingly good value, and convenient too. You can sign up for CHEERS! onboard, and we'll give you a Sail & Sign Card to use when ordering drinks. Find out what drinks are included online.

WHAT SHOULD I TIP?

Carnival is an American company and, as you may know, Americans tend to give and receive tips for good service. We've made sure that the service onboard our cruises is excellent, and to make the whole process a little easier for you – we automatically add tips for you. This will go on to your Sail & Sign Account from the day you board. But if any of our service doesn't quite meet your standards, just let us know, and we can look into it for you straight away.

There are over 5,000 islands and cays (banks and reefs) dotted around the Caribbean. Which means you have a lot of paradise to explore.

We have 20 ships sailing the stunning blue waters, cruising the Eastern, Western and Southern regions. Our cruise itineraries are on pages 38-47.

EASTERN CARIBBEAN

Take our word for it, there is nowhere better to relax than the Eastern Caribbean. Sail there with us to discover beautiful gems such as the Bahamas, the Turks Islands' marine life, San Juan's fascinating historic sites, and St Thomas's exciting nightlife.

WESTERN CARIBBEAN

Enjoy Mexico's colourful Palancar Reef. Discover rare jungle wildlife in Belize. Swim with stingrays off the coast of Grand Cayman. And play in the watersport paradise of Roatan. By the time we reach Jamaica, you may just want to chill on the beach.

SOUTHERN CARIBBEAN

Experience the rainforests of Dominica, crystal-clear waters of St. Thomas, seaside villages of Barbados and white-sand beaches of Aruba. The bounty of activities includes swimming, snorkeling, hiking, shopping and sightseeing – so there's something to suit every taste.

OUR DEPARTURE PORTS

Carnival ships sail from ports that are as exciting as our destinations. So you might like to arrive early to allow time for some pre-sail adventures.

MIAMI

Hit the beaches or visit Little Havana. Go shopping, clubbing or celebrity-spotting in South Beach. Take your family to the Children's Museum, Zoo Miami or swing by to the art museums for a little culture.

FORT LAUDERDALE

This bustling seafont city is filled with Venice-like canals, gorgeous beaches, and endless shops and boutiques – there's so much to do and see.

PORT CANAVERAL

Cape Canaveral and nearby Orlando offer some of the most spectacular outdoor attractions in the world, including the Kennedy Space Center and Universal's Islands of Adventure®.

NEW ORLEANS

This city is such an interesting mix of cultures – African, Spanish, French, Italian and Caribbean. You can experience it in the art, food and, of course, the music.

GALVESTON

This historic Texan coastal town has many attractions. Spend a day on the beach, go horseback riding, or visit one of the world's largest aquariums, in Moody Gardens.

SAN JUAN, PUERTO RICO

An historic city with a fascinating mix of Spanish, African, Taino (indigenous people) and American influences, San Juan is a place that likes to have a good time.

NEW YORK CITY

THE A-Z OF CRUISING WITH CARNIVAL

PLEASE SEE [WWW.CARNIVAL.CO.UK](http://www.carnival.co.uk) FOR OUR CRUISE HOLIDAY BOOKING TERMS AND CONDITIONS THAT FORM THE TERMS OF THE CONTRACT BETWEEN YOU AND CARNIVAL FOR YOUR CRUISE HOLIDAY. PLEASE READ THEM CAREFULLY AS THEY WILL BIND YOU WHETHER OR NOT YOU HAVE READ THEM. IF YOU DO NOT HAVE ACCESS TO OUR WEBSITE, PLEASE ASK ONE OF OUR SALES REPRESENTATIVES OR YOUR TRAVEL AGENT FOR A COPY OF THE LATEST BOOKING CONDITIONS BEFORE YOU BOOK.

ABTA

Carnival is a member of ABTA, no. Y5878. ABTA and ABTA Members help holidaymakers to get the most from their travel and assist when things don't go according to plan. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. For more information on ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint, contact ABTA, 30 Park Street, London SE1 9EQ, tel 020 3117 0500 www.abta.com.

ADVANCE GUEST INFORMATION – US BORDER SECURITY ACT

Carnival is required to provide the U.S. Department of Homeland Security with specific guest information prior to departure. To comply with this you must provide advance guest information by going online at www.carnival.co.uk/mycruise and clicking onto the "FunPass" icon. You will need your Carnival booking number, ship and sail date. Once you complete the online registration process, you will be able to "fast track" through a quick documentation verification at embarkation. You will also be able to print off your boarding pass and reserve shore excursions. Failure to provide this information prior to two days before departure date may result in delayed or refused embarkation.

BACK TO BACK CRUISES

Many of our guests book "back-to-back" cruises, which constitute two seven-night cruises featuring different ports of call to be taken sequentially. These cruises constitute two separate bookings and we require two deposits, one for each booking, per person. There is the possibility you will be allocated different cabins on each cruise, therefore necessitating the need to move between cabins on the changeover day between cruises. There may also be some repetition of food and entertainment in week 2. Following return to the ship's home port on day 7, all non-USA guests must disembark and clear USA immigration within the port before re-embarking the ship.

BAGGAGE

There is no need to affix baggage tags to your luggage prior to travel. You will be issued with baggage tags showing your deck and cabin number when you have completed your online check in at www.carnival.co.uk/mycruise. Guests are encouraged to limit their luggage to two suitcases per guest. Each suitcase should not weigh more than 23kgs and should not exceed 16"H x 24"W (40.64cm x 60.96cm); there are no length restrictions. We suggest that all checked luggage be unlocked and have a Carnival luggage tag attached listing the guest's name and stateroom number. For those guests who wish to carry-on their luggage, it cannot exceed 16"H x 24"W (40.64cm x 60.96cm); there are no length restrictions; anything larger must be checked-in with a curbside porter.

BAGGAGE LIABILITY

It is mandatory that all guests purchase a travel insurance policy that covers baggage, contents and accidents. Each fully paid adult Guest will be allowed a reasonable amount of luggage onboard containing their personal belongings. Carnival shall not be liable for any loss or damage before baggage comes into Carnival's actual custody onboard or after baggage leaves Carnival's actual custody onboard, including, but not limited to, loss or damage by airlines or other transportation services; any loss or damage of baggage while not in the actual possession, custody and control of Carnival; damage due to wear, tear or normal usage; any loss or damage of perishable items, medicine, liquor, cash, securities or other financial instruments, or any loss or damage while in the custody and control of stevedores.

It is stipulated and agreed that the aggregate value of Guest's property, does not exceed \$50 USD per guest or bag with a maximum value of \$100 USD per stateroom regardless of the number of occupants or bags and any liability of Carnival for any cause whatsoever with respect to said property shall not exceed such sum, unless the Guest shall in writing, delivered to Carnival, prior to embarkation, declare the true value thereof and pay to Carnival prior to embarkation a sum equal to 5% of the excess of such value. If Carnival shall be held liable for the loss of or damage to Guest's baggage or property it is agreed that such liability shall not exceed the lesser of: (1) the actual cash value, or (2) value declared in the manner above provided (up to U.S. \$100 USD if no such declaration has been made). See our full terms and conditions on www.carnival.co.uk for the detailed Baggage Liability Policy. No Guest is permitted, to bring onboard the vessel live animals (other than qualified service animals, with not less than 14 days advance notice given to Carnival). Guest will be solely responsible for any and all damage and/or loss caused by service animals. Weapons, firearms, contraband, ammunition, explosives, incendiary devices, or other dangerous items are strictly prohibited aboard the vessel. Carnival reserves the right to confiscate, destroy and/or turn over to authorities these or any other items it deems in its sole discretion to be detrimental to the safety or comfort of any person or which are otherwise improperly in the possession of any Guest. Each Guest warrants that no such articles are contained in any receptacle or container carried or presented as baggage.

All Guests agree Carnival has, at all times with or without notice, the right to search Guest's baggage and/or personal effects for any of the prohibited items, at any location, to ensure compliance with these restrictions. Any Guest who refuses any such search or screening, or any Guest traveling with such items, may be denied boarding or disembarked and no refund of the cruise fare will be issued. The Guest will be solely responsible for any and all damage and/or loss caused by his violation of this policy.

CHANGES TO BROCHURE

We reserve the right to make changes to the particulars, including the prices in the brochure, after publication. You will be advised of any changes before you book.

CLOTHING ONBOARD

Casual attire is the order of the day. For one or two evenings, more formal attire is suggested. The dress code for other evenings ranges from sports jacket and tie to casual resort wear. Shorts and T-shirts are not permitted in the dining room during dinner but are acceptable in the Lido restaurant. For Alaska cruises, sweaters, lightweight jackets and raincoats are suggested.

COMPLAINTS

Please bring any complaints to the attention of Carnival during your cruise holiday so that the problem can be addressed. If you are unable to resolve the problem during the cruise, you should notify Carnival of your complaint at the earliest opportunity and in any event no later than 28 days after your return home. Failure to report the complaint within this time may adversely affect Carnival's ability to investigate and deal with it and this may affect your rights. ABTA, of which Carnival is a member, has an arbitration scheme for resolution of disputes. Please see our Cruise Holiday Booking Terms and Conditions which apply to your cruise holiday at www.carnival.co.uk, which set out full details of your rights to complain.

CREDIT CARDS

We charge a handling fee of 1.5% of the price of your cruise holiday for payments made by credit card.

CRUISE CONTRACT

The terms and conditions of the contract between you and Carnival for your cruise holiday are the "Cruise Holiday Booking Terms and Conditions" contained on our website www.carnival.co.uk. By making a booking for a cruise holiday either on our website or via one of our sales representatives or a travel agent, you will be deemed to have read those terms and conditions and to have accepted them. Accordingly if you do not have access to our website, please ask our sales representatives or your travel agent for a copy of the terms and conditions before booking.

CRUISE FARES

Cruising with Carnival represents the best in holiday value. Your cruise includes accommodation aboard your Carnival Superliner, meals and entertainment onboard ship. A small surcharge applies to meals for some of the onboard dining and entertainment options dependent on the ship. Not included, however, are items of a personal nature or optional programmes or optional activities, such as alcoholic beverages, soft drinks, laundry and dry cleaning, onboard service charges (which can be prepaid at the time of booking), shore excursions, medical, barber and spa services. All lead-in fares shown in this brochure are per person in £ Sterling. You will be charged separately for additional items not shown on the itinerary, such as hotel dayrooms.

Fly/cruise fares also include air transportation, transfers (except where shown as not being included) and, where applicable, one night's pre-cruise accommodation (room only) at the city of embarkation with the exception of Europe sailings.

You may purchase "cruise only" fares, which will not include air transportation, hotel accommodation or transfers.

DATA PROTECTION

We use your personal information in order to process your cruise holiday booking and for other purposes such as marketing in accordance with our Cruise Holiday Booking Terms and Conditions and our Privacy Policy. Please see our website www.carnival.co.uk for details.

DELAYS

In the event of a delayed departure, Carnival will inform guests as soon as possible of the delay and of the estimated departure time and estimated arrival time as soon as that information is available in accordance with EU Regulation 1177/392. Where Carnival reasonably expects the departure of a cruise to be delayed for more than 90 minutes beyond its scheduled departure time, guests departing from port terminals will be offered free of charge such snacks, meals or refreshments as are appropriate given the waiting time, provided they are available and can reasonably be supplied. If the delay in departure necessitates a stay of one or more nights or a stay additional to that intended by the guest, where and when physically possible, Carnival shall offer guests departing from port terminals free of charge adequate accommodation, onboard or ashore, and transport to and from the port terminal and place of accommodation in addition to the snacks, meals and refreshments previously referred to. The maximum amount that Carnival will pay for accommodation ashore and transport to and from the port terminal is the GBP equivalent of EUR 80 per night for a maximum of three nights. Carnival will not have an obligation to provide accommodation ashore where the delay is caused by weather conditions endangering the safe operation of the ship.

You may have rights against the airline in cases of flight delays under EU Regulation 261/2004. Full details of these rights are published at EU airports and are available from airlines.

Please see our Cruise Holiday Booking Terms and Conditions at www.carnival.co.uk for further details of your rights in the event of a delay.

DEPOSIT AND BALANCE

In order to confirm your booking, you must pay Carnival a deposit per person per cruise, or for bookings made 75 days or less before departure, the full price. The amount of deposit varies according to the length of cruise. Below are the deposit amounts we require at the time of publication of this brochure, however, these are subject to change and you will be advised the correct deposit amount at the time of making your booking. An additional deposit amount may be required for any additional travel component such as hotel stay, flights or transfers that you add to your booking and you will be advised of the additional amount at the time of booking. For cruises booked as part of our Instant Saver programme, payment of the full cruise fare is due at the time of booking.

Duration of holiday:	Deposit required per person:
3 nights	£70*
4 nights	£110*
5 nights	£140*
6+ nights	£150*

*Equivalent value in Euros is payable by those eligible to transact in this currency. Singles are required to pay 200% deposit in advance.

Deposits paid are generally non-refundable. See our Cruise Holiday Booking Terms and Conditions on www.carnival.co.uk for full details. The balance of your cruise fare must be paid within the time stipulated in your booking confirmation, which is 75 days before departure.

DOCUMENTATION, PASSPORTS AND VISAS

A passport is required for all of our cruise itineraries. This is a requirement of the countries that you will visit on your holiday. You will not be able to embark the ship without a passport. We recommend that guests travel with a passport valid for at least 6 months beyond completion of travel. Some countries will also require you to hold a visa to enter their country. Some will require you to obtain a visa in advance of your cruise and others may issue a visa upon arrival. Guests should consult with the relevant country's embassy or consulate to ascertain whether a visa is required.

It is your responsibility to ensure that you have the correct travel documents for your journey. Any guest travelling without proper documentation will not be allowed to board the ship and no refund of the cruise fare will be issued.

VISITING THE USA

All passengers visiting the USA are required to provide information to the airline prior to check-in. You must provide this information (which includes passport details, country of residence and emergency contacts) at the time of booking or no later than 70 days before travel. If you fail to supply the details requested both fully and accurately, you may not be permitted to board your flight. Carnival Cruise Lines will accept no liability for this and you will not be compensated.

U.S. State Department regulations require that all guests travelling from visa-waiver countries must be in possession of a machine readable passport. From 12 January 2009 all visitors to the USA are required to comply with the mandatory Electronic System for Travel Authorisation (ESTA), introduced by the US government for all visitors into the United States under the visa waiver scheme. Customers can apply online at www.cbp.gov/esta or via their travel agent for an ESTA that is valid for two years, allowing multiple visits to the US within that period without the need to reapply. Customers who fail to apply for ESTA up to 72 hours before they depart may result in delayed travel.

DINING ROOM RESERVATIONS

Dining preferences (time, companions) may be requested by you or your travel agent at the time of booking. No requests are guaranteed. All Dining Rooms are smoke free. Your table assignment will be confirmed on embarkation. Dining times are (subject to change):

EU BANNED AIRLINES

The EU publishes a list of airlines that are subject to an operating ban within the European Community. To view it go to www.europa.eu and select Travel then Passenger Rights. If you book a fly-cruise we will advise you of the airlines that you will or might be travelling on.

FINANCIAL PROTECTION

All the fly-cruise holidays in this brochure are financially protected by the ATOL scheme. When you pay you will be supplied with an ATOL Certificate. Please ask for it and check to ensure that everything you booked (flights, hotels and other services) is listed on it. Please see our Cruise Holiday Booking Terms and Conditions at www.carnival.co.uk for further information or for more information about financial protection and the ATOL Certificate go to www.atol.org.uk/ATOLCertificate.

Cruise packages that do not include flights are protected under the ABTA scheme of financial protection.

FLIGHTS

International Flights

Carnival offers a Fly Aweigh® programme where we can arrange for your air transportation from most regional airports in the UK to an airport near the departure point of your cruise and return transportation from an airport near the termination point of your cruise to the airport from which you departed. We ensure that guests are accommodated on flights that will provide a timely arrival to the embarkation point. In the event that the available flights do not arrive in time for the ship's departure, due to weather conditions or mechanical or technical problems, guests will be flown to the next port of call and we will arrange hotel and/or ground transportation services at no expense to the guest.

Please refer to our website www.carnival.co.uk for additional information on our Fly Aweigh® programme and destinations. See also our Cruise Holiday Booking Terms and Conditions for terms and conditions that apply. Flight bookings are subject to air carrier's availability and restrictions as well as air carrier's terms and conditions.

Unfortunately we cannot guarantee direct flights, nor can we guarantee that guests travelling on the same booking but in different cabins will be on the same flights, although we try to keep family groups together wherever possible.

We don't contact guests to discuss flights assignment options. Flight schedules are normally available 75 days prior to sailing. Additional fees for checked and carry-on baggage may apply.

UK Domestic Flights

Domestic flights are offered subject to air schedules available at the time of booking. Should subsequent schedule changes result in no regional air service being available, no alternative transport will be provided.

Infants

Please note that infant flight prices are based on infants not occupying their own seat on the aircraft. Should you wish to purchase a seat, child rates will apply.

Booking your own flight?

If you are making your own flight arrangements we recommend that you leave plenty of time to transfer to the ship for embarkation, and on long haul destinations stay at least one night in a hotel near the port of embarkation. When disembarking, to allow sufficient time for Customs clearance we suggest scheduling homebound flights no earlier than our recommended times, which are available at www.carnival.co.uk or via our call centre.

E-Tickets

It is now the policy of airlines not to issue passengers airline tickets. You will instead be issued only with a receipt showing a confirmation code, which must be shown at check-in for the flight. All airline standard conditions of carriage will still apply.

FOREIGN & COMMONWEALTH OFFICE

The Foreign & Commonwealth Office provides up-to-date travel advice to help British travellers make informed decisions about travelling abroad. Guests should check the FCO website www.fco.gov.uk/knowbeforeyougo before travelling.

HEALTH

Carnival's ships visit numerous ports in a number of countries. We recommend that you check with your doctor, practice nurse or travel health clinic which vaccinations or medications are recommended or required for the countries in their cruise itinerary. If you have any health issues which may require emergency treatment or specialised equipment, you must notify us at the time of booking. Please see our Cruise Holiday Booking Terms and Conditions at www.carnival.co.uk for terms and conditions regarding fitness to travel.

Prior to boarding you may be asked to complete a public health questionnaire. Please supply accurate information regarding the symptoms of any illness, including any gastro-intestinal illness. We may deny boarding to anyone who has symptoms of any viral or bacterial illness.

HOTELS & TRANSFERS

Where hotel overnight stays are included on the cruise itinerary, these will be on a room only basis, and will usually include transfers from airport to hotel and hotel to ship. If you have booked an airport transfer at the end of your cruise, this means you will be transferred directly from the ship to the airport following disembarkation after breakfast regardless of your flight time.

INSURANCE

You must have travel insurance to cover you cruise holiday, including pre-existing medical conditions worldwide, or as a minimum, in the countries you plan to visit. See our Cruise Holiday Booking Terms and Conditions on www.carnival.co.uk for further details.

LIQUOR AND BEVERAGE POLICY

Guests are prohibited from bringing alcoholic beverages onboard. Fine wine and champagne may be brought onboard only during embarkation at the beginning of the cruise. A US \$15 corkage fee per 750ml bottle will be charged should you wish to consume this wine in the restaurant. Guests may bring a small quantity of non-alcoholic beverages. Excessive quantities, to be determined at the discretion of security and/or embarkation personnel, will be confiscated and retained by Carnival until the cruise is completed. Guests may purchase a variety of beverages onboard ship. Alcoholic beverages will not be sold or served to anyone under the age of 21. We reserve the right to refuse the sale of alcoholic beverages to anyone. Alcoholic beverages purchased in the ship's gift shops or in ports of call will be retained by Carnival until the end of the cruise.

MAXIMUM OCCUPANCY ROOM RESTRICTION

To ensure we keep twin cabins with additional beds available for parties of more than two guests travelling, at times certain categories of cabin may be restricted for sale unless the party size meets the occupancy level of the cabin. We will always attempt to book your selected grade of cabin, if available, however if your chosen grade of cabin is only available to those parties with more than two guests, we will offer you the nearest grade of cabin available for twin occupancy.

MEDICAL SERVICES

Should you require medical attention onboard, our infirmary staff is available to assist you 24-hours a day. Our shipboard infirmaries meet or exceed the Medical Facilities Guidelines established by the International Council of Cruise Lines and the American College of Emergency Physicians. The medical staff is from the fields of Emergency Medicine and/or Family Practice, and is certified in Advanced Cardiac Life Support. However, note that the medical staff are not specialists and our shipboard infirmaries are not required to be nor are they equipped to the same standards as a land-based hospital, nor are they designed for the provision of extensive or continuing treatment. Please see our Cruise Holiday Booking Terms and Conditions for full details of our onboard medical facilities. Our physicians are independent contractors and as such are entitled to render services at a customary charge. The charge for their services and any other medical expenses will be applied to your Sail & Sign account.

Pregnancy: Guests who will be more than 24 completed weeks pregnant on the day of disembarkation will not be allowed to sail. Women who will be 24 completed weeks or less pregnant on the day of disembarkation, must submit Carnival's Attending Physician Pregnancy Certification Form prior to departure. Please see our Cruise Holiday Booking Terms and Conditions on www.carnival.co.uk for all terms and conditions concerning pregnancy.

MINOR GUESTS

Guests under the age of 21 years must be accompanied by a parent or guardian in the same room, or rooms located side by side. If guests under the age of 21 travel with a guardian 25 years or older, they must travel in the same room. Infants must be at least six months old (12 months for some cruises including transatlantic and Hawaii voyages) to be eligible to travel. Our "Camp Carnival" programme features supervised activities for children and teens aged 2-17. Please note guests under 18 are not permitted in the casino. Spa guests must be over 16 and accompanied by an adult if between 16 and 18. Height restrictions may apply on the waterslide. Guests under the age of 13 must be booked in the same room as the parents/guardians. Guests 13-17 years of age can be booked in separate rooms, by up to 3 rooms in between the minor's room and the parents or guardian's room.

SAIL & SIGN

For your convenience, charges for most of your onboard purchases are made to your Sail & Sign account. A required application form will be included with your cruise documents, which are collected at the port of embarkation. Carnival accepts American Express, VISA, Mastercard and cash for deposit on your account. Some bank debit cards are also accepted. A minimum deposit will be required for cash accounts: 2-4 day cruises – US\$100, 5-8 day cruises US\$200, 9-day or longer cruises US\$350. Your card will be pre-authorized for US\$60 per person for each day of your cruise. At the end of your cruise, you will receive a final statement, and your card will be charged only for the actual amount of your purchases. For banks outside the USA and Canada, please inform your credit or debit card issuer in advance that your card will be used on a Carnival Cruise Lines ship. This will help prevent delays in obtaining pre-authorization onboard. Some banks may keep the pre-authorization in place for up to 30 days, therefore you are encouraged to use a credit card rather than a debit card. U.S. traveller's cheques may be cashed at the front office to make your deposit. All onboard charges will be assessed in U.S. dollars. Personal cheques or sterling traveller's cheques are not accepted onboard.

SERVICE CHARGES

How much you give is purely a personal matter and completely up to you, however we do have many guests who ask for guidelines as to what is appropriate. For your convenience we are automatically adding the service charges for your dining and room services to your onboard Sail & Sign account. The total amount will be \$12 per person, per day. You have discretion to adjust these service charges while onboard based on the level of service you receive during the cruise. Tipping your Maitre d' is at your discretion, as with other onboard personnel. For beverage purchases 15% of the bill is automatically added to the Sail & Sign account. guests will also have the option to "prepay" their onboard service charges for dining and room services at the time of booking their cruise. NOTE: BARBADOS CRUISES All service charges are prepaid and automatically added during the booking process for Barbados itineraries.

All Carnival ships are equipped with an internet centre, which offers a low-cost method of keeping in touch with family, friends and business colleagues 24-hours a day.

Please note that local operators who are independent contractors operate all shore excursions.
