Online photo competition for Land Rover employees

A banner for the "COLD SNAP" photo competition. It features the Land Rover logo on the left, the title "COLD SNAP" in large blue letters, and a background image of a snowy winter landscape with trees. Below the title, it says "The Land Rover #hibernot photo competition #HIBERNOT".

Winter is for winning: Show us how you're getting into the #HIBERNOT spirit and enjoying the outdoors this winter. You could win a trip for two to Greenland, including passes to the World Ice Golf Championship. When the competition ends in March, you can vote for your favourite shots by other Land Rover employees. Enjoy.
